

Ball Field Renovations at Bill Moore Community Park- Informal Bid

Project Overview

The Town of Fletcher is seeking bids from qualified contractors to renovate the five baseball/softball fields at Bill Moore Community Park, located at 85 Howard Gap Road, Fletcher, NC 28732. This project will involve comprehensive renovations to the infields of each field to ensure optimal playing conditions, improve safety, and enhance the overall user experience for all park visitors.

Project Scope

The scope of work includes, but is not limited to, the following:

1. **Site Mobilization:**
 - Mobilize all necessary equipment, tools, and labor to the worksite.
2. **Infield Renovations:**
 - Removal of existing silt, excess dirt, and mud from the infields.
 - Removal of lips around each infield to ensure a level surface.
 - Laser grading of each field to ensure proper slope for optimal drainage.
3. **Material Installation:**
 - Installation of 50 tons of clay for each of the four smaller fields (#1, #2, #3, #4).
 - Installation of 150 tons of clay for the larger field (#5).
4. **Clean-Up and Site Restoration:**
 - Restoration of turf damaged by equipment during construction.
 - Thorough clean-up of the worksite upon completion of the project.

Field Dimensions:

- Field #1 and #2: 200-foot bases
- Field #3 and #4: 220-foot bases
- Field #5: 320-foot base

Existing Field Conditions:

Each field currently has a base level of clay, with Turface applied at the surface level.
